

The friends of
Sammy Joe

"Helping to create a better life"

Working together to break down barriers.

Trichothiodystrophy, Xeroderma pigmentosum & Cockayne Syndrome Trust Fund

30th of June 2008

Dear

Ron King and John Finis

*Thankyou
For all our heating and cooling
for the pavilion, you are wonderful !!*

On behalf of the Liistro Family, I would like to thank you for your generosity, valued support, kindness, and friendship in helping to meet Sammy-Joes needs by building and sponsoring the Pavilion.

Your generosity has not only helped Sammy-Joe live a life outside his bedroom, it has also helped us as a family to reconnect to the community. The Pavilion will help with building upon our charity and also running the Parent Supported Network for the Children of the Foundation.

Your commitment to helping The Friends of Sammy-Joe Foundation in our community is sincerely appreciated.

The Friends of Sammy-Joe Foundation continues to advance its mission of Creating a Better Life. Through our mission, we have seen and will continue to see many lives changed for the better.

The goal of The Friends of Sammy-Joe Foundation is to continue to make a difference in the lives of those affected by Trichothiodystrophy, Xerodermapigmentosum and Cockaynes syndrome. With the help of donations from supporters such as you we will continue to see improvements in Creating Better Lives for these individuals and their families.

Many thanks for your caring actions and loving thoughts with everything you have done.

We, The Friends of Sammy-Joe Foundation and my family appreciate your support and value having good friends in our Community like you.

Thanks again for your generous support especially with your efforts in Raising awareness and Creating a Better Life for the children and their families.

Best wishes,

Maria Liistro
